

Required GPA (equivalent to 7.00)

This list provides indications of GPA's that meet the minimum required GPA of 7.00. Please note: these are indications and the Board of Admissions will ultimately decide whether a GPA is sufficient or not. Applicants can be requested to provide additional information, such as a diploma supplement that contains information about the grading system and scale applied in the country where the diploma was issued, in addition to the grades transcript.

Country	Minimum required grade on grading scale	Minimum required percentage	Minimum required letter grade
